A Message from Mayor Robert E. Polk

Dear Burnham Residents,

As we move into the spring season, I want to address several important community updates and upcoming opportunities. Your safety and quality of life remain our primary focus. We are committed to transparency and the continued improvement of our local infrastructure.

Water Main Break Update

The Water Main Break that occurred on Monday, January 26, 2026 was due to extremely cold and frigid weather conditions:

- NO Boil Order was required for this Water Main Break.
- We apologize for any misinformation shared.

The safety of every Burnham family remains our top priority. Moving forward, we will ensure communication regarding future incidents is timely and clear.

2026 Youth Beautification Program

The Village plans to hire youth from our community for this year's Beautification Program.

- Participants will travel via the Village van to help maintain and beautify our community.
- Stay tuned! Details on how to apply will be shared soon.

Sidewalk Repairs

The Village will be making sidewalk repairs this year. If your sidewalk needs attention, please contact Village Hall.

Community Safety Reminder

Please lock your vehicle doors when exiting. There have been vehicle thefts reported within the community.

Lead Service Line Replacement Program

Our Free Lead Replacement Program is ongoing and expanding into Old Burnham.

- Replacing lead service lines
- Relocating water meters from alleys to inside homes.

Community Center Events – March 14, 2026 Location: 14020 S. Torrence Ave

- CEDA – Low Income Home Energy Assistance Program (LIHEAP): 11:00 AM – 5:00 PM
- Spring Vendor Fair: 11:00 AM – 5:00 PM | Vendor Fee: \$25

Robert E. Polk Mayor, Village of Burnham
