Recent storms have caused tree branches to fall in streets and intersections throughout the village. We've also received calls about branches growing through utility wires or hanging over rooftops. While we are not removing large trees on private property, the Village will provide assistance to help address any safety hazards.

Tuesday, August 5, 2025

National Night Out is an annual campaign aimed at fostering community relationships and enhancing police-community partnerships. This initiative encourages camaraderie among neighbors, making our neighborhoods safer and more enjoyable places to live. It also seeks to strengthen connections with local first responders. We invite you to join us and meet your Village First Responders, including our dedicated police officers and firefighters.
