## A Message from Mayor Robert E. Polk

Dear Burnham Residents, as we move into the spring season, I want to address several important community updates and upcoming opportunities. Your safety and quality of life remain our primary focus. We are committed to transparency and the continued improvement of our local infrastructure.

**Community Blood Drive** The Village of Burnham is joining Mr. Bult's Trucking Company in a blood drive on **Thursday, April 23rd, 2026.**

**Location:** Burnham Community Center Parking lot (14020 S. Torrence)

**Time:** 2:00 PM – 6:15 PM

**Zingo Fundraiser for Veteran Memorial Wall** Amvets Post 43 and the Village of Burnham are joining together to sponsor a Zingo Fundraiser. Proceeds will support our Veteran Memorial wall at 140th and Torrence to honor those who served our great country.

**Location:** Community Center (14020 S. Torrence)

**Details:** Doors open at 4:00 PM; games start at 5:00 PM.

**Community Safety & Maintenance** There have been a few car break-ins reported. We ask residents not to leave valuable items in vehicles when parking overnight. Additionally, please report any streetlights that are out or blinking, as blinking often indicates the light is about to fail.

**2026 Youth Beautification Program** We are considering hiring local youth for this years beautification projects.

**Eligibility:** Ages 16–21.

**Capacity:** We can accommodate 7 to 8 youth participants.

**Sidewalk Repairs** As mentioned last month, we will be replacing sidewalks this year. Please let Village Hall know if there is an area that needs attention. If we cannot complete all repairs in 2026, we will schedule more for the spring and summer of 2027.

**Pet Ownership Courtesy** We ask all pet owners to be considerate of their neighbors and the community by cleaning up after their pets.

**Mother's Day Brunch** To the Mothers of Burnham, we want to honor you with a special brunch!

**Date:** Saturday, May 9, 2026

**Location:** Community Center (14020 S. Torrence)

**Time:** 8:00 AM – 12:00 Noon
